Hotels:

The Conference Center does not have overnight accommodations. However, we work closely with local hotels that are just minutes away (hotels are within a fifteen minute walk, around .04-.06 miles distance). They do not provide shuttle service to our venue. We recommend that you ask for 1) The Best Available Rate and 2) Pepperdine Rate.

For entertainment, we have the Promenade at Howard Hughes Center across the street from the Westside Conference Center. There are many evening options.....they have shopping, restaurants and a great upscale movie theater which completely alleviates the problem with being isolated at LAX especially at night!
